**Cape Consultancy Services Pvt Ltd (CCS)** [www.capeconsultancy.com](http://www.capeconsultancy.com) is an **emerging IT company from Cape Group** located at Nagercoil (Kanyakumari) with corporate office at Chennai, INDIA, delivering Website designing, Web Application Development and other Software solutions to clients across the globe.

The Cape group is **one of south India's fast growing**, professionally managed diversified group, with forays into Education, Energy, Real Estate and Infrastructure, Services and Engineering. The emphasis of the group is to harvest its potential towards excellence, with a clear focus on being eco friendly. Er.I. Krishna Pillai or IKP as he is fondly called is the founder Chairman of the Group. The Company is specialized in developing attractive, safe and dynamic websites and are proven their experience and expertise in designing websites that succeed by bringing in enquiries, which generate sales and are an asset to your business. As a web solutions company, CCS offer a full-circle approach in website design & development, where the actual web designing effort covers only 40% of the entire project pie; our website designing services covers strategic planning, business intelligence, creative, application development, product / service promotion & solution maintenance. Most of our time goes in understanding your business objectives, defining the problem and finally designing the best possible solution. Your website can offer you the best return for your investment, if done correctly. CCS team understand that every company has a unique requirement when it comes to web designing, where, our responsibility is to project that uniqueness and make the website stand out from its competition. Unlike a run-of-the-mill website designing we make it a point to deliver a distinctive look to your website. CCS web designing experts ensures that your website is search engine friendly, aesthetically appealing and user friendly.
